

MANUFACTURER'S LIFETIME WARRANTY ULTRA ANCHORS

Within

ULTRA Products offers a lifetime warranty against any material defects, bending, breaking, cracking, and rusting affecting the anchor's overall security, provided the anchor was sized appropriately for the boat, based on the official ULTRA Anchor sizing chart (as published by the manufacturer and up-to-date at the time of selection). The anchor is used as per the ULTRA Anchor User's Guide.

**This warranty is valid for the original purchaser only
and is non-transferable.**

Exclusions

- Faults and damage caused by not using the recommended anchor size as per the ULTRA Anchor sizing chart, as published by the manufacturer and up-to-date at the time of selection.
- Faults and damage caused by using the anchor outside of the ULTRA Anchor User's Guide.
- This warranty is limited to claims related to the ULTRA Anchor only. Other faults, damages and casualties related to using the anchor are not covered by the warranty under any circumstances.
- The purchaser will cover the transport costs for the old anchor and the replacement anchor.
